

The Ross Express Advantage

- Serving the transportation needs of the Northeast for 78 years. We know the Northeast and we know our customers.
- Direct overnight delivery without interline service to all six New England states. Reliable second-day service to northern Maine & Cape Cod.
- Next-day service lanes to DE, MD, NJ, NY, PA, VA & WV. Deliveries are performed by sister company, Pitt Ohio.
- Six state of the art secure terminals located strategically throughout the Northeast to meet your overnight service expectations.
- 98.9% on-time delivery service record for 2024.
- Claims ratio of .0025% of total sales. Peace of mind knowing that your product will arrive to your own customers in the same condition as when it left your dock. All claims are processed and paid in a timely manner.
- Regular daily assigned non-union route drivers that are familiar with your business and your individual service requirements.
- 380 highly trained employees. We can respond to your needs as if they were our own - quickly, accurately, and reliably.
- TSA and Hazardous Materials certified.
- Environmentally responsible with the purchase of clean modern equipment. Ross Express is an EPA SmartWay Transportation Partner. Average age of fleet is 3.5 years.
- Full brokerage division providing services to locations outside of the New England area. Services include air freight, ocean transit, domestic intermodal, LTL or T/L to most states/provinces within the continental United States and Canada. For details, call (800) 762-5966 x 1127.
- Committed to our communities – Proud sponsor of Wreaths Across America, Boys & Girls Club of Central NH, Knights of Columbus, Concord Capitol Center for the Arts and more.
